**FINAL JUDGMENT ORDER**

This action having been commenced by Plaintiffs Luxottica Group S.p.A. (“Luxottica”) and Oakley, Inc. (“Oakley”) (collectively, “Plaintiffs”) against the defendants identified on Schedule A, and using the Defendant Domain Names and Online Marketplace Accounts (collectively, the “Defendant Internet Stores”), and Plaintiffs having moved for entry of Default and Default Judgment against the defendants identified on Schedule A attached hereto (collectively, the “Defaulting Defendants”);

This Court having entered upon a showing by Plaintiffs a temporary restraining order and preliminary injunction against Defaulting Defendants which included a domain name transfer order and asset restraining order;

Plaintiffs having properly completed service of process on Defaulting Defendants, the combination of providing notice via electronic publication or e-mail, along with any notice that Defaulting Defendants received from domain name registrars and payment processors, being notice reasonably calculated under all circumstances to apprise Defaulting Defendants of the

pendency of the action and affording them the opportunity to answer and present their objections; and

Defaulting Defendants having failed to answer the Amended Complaint or otherwise plead, and the time for answering the Amended Complaint having expired;

THIS COURT HEREBY FINDS that it has personal jurisdiction over Defaulting Defendants since Defaulting Defendants directly target their business activities toward consumers in the United States, including Illinois. Specifically, Defaulting Defendants are reaching out to do business with Illinois residents by operating one or more commercial, interactive Defendant Internet Stores through which Illinois residents can purchase products using counterfeit versions of Plaintiffs' Trademarks (a list of which is included in the below chart).
